

## LOW & MEDIUM PROFILE HATCH

### Mk1 & Mk2 IDENTIFICATION

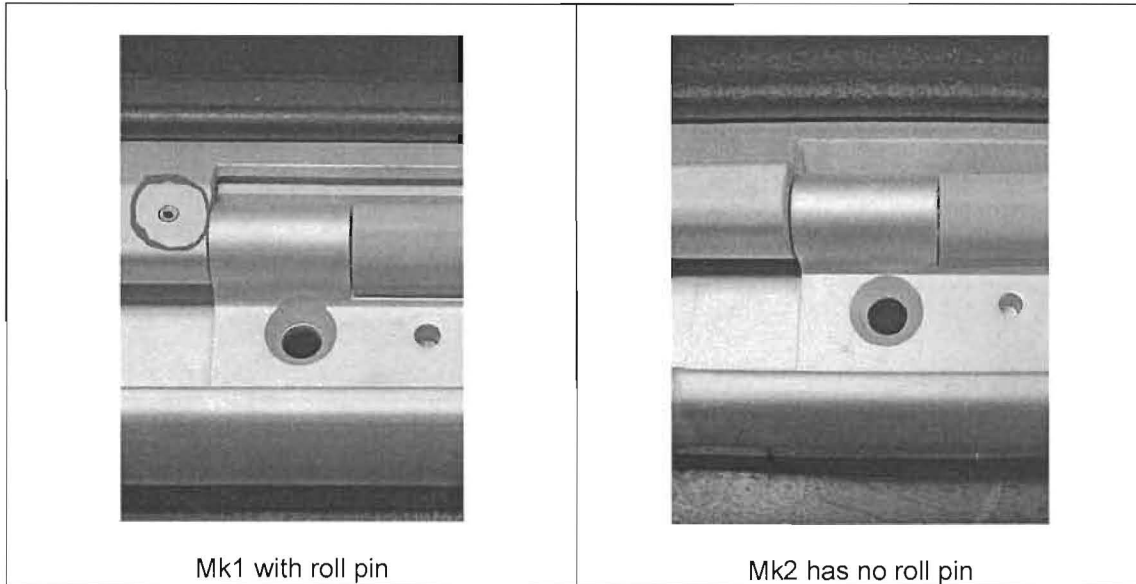

#### Date

The Low & Medium Profile Hatches changed from Mk1 to Mk2 version between July and December 2000

Note: All Bénéteau and Bavaria hatches are Mk2

#### Roll Pin

On Mk1 hatches a roll pin is visible on the underside of the lid near the hinge.  
There is no roll pin on Mk2

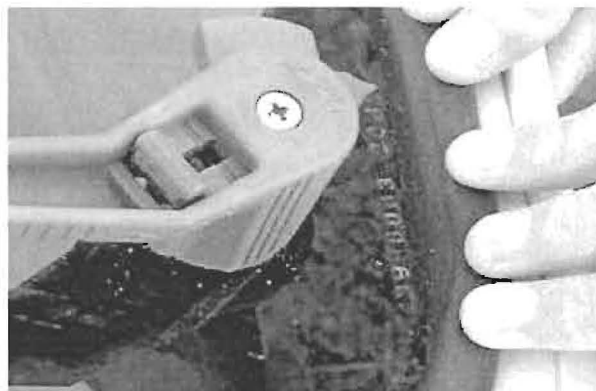

#### Lens Code

All Low & Medium Profile hatches have a lens code  
Standard sizes of Mk1 hatches have a code that starts 399....  
Standard sizes of Mk2 hatches have a code that starts A399...

Non-standard sizes hatches may not follow this pattern

Part number I.D located here.

#### Code Example A 3993003

The two digits after 399 indicates the size of your hatch.

The next digit is the color number (0 is grey, 2 is clear, 4 is beneteau green)

The next digit is the profile (3 for LP and 2 for MP)

For codes beginning with 359 or 350 - call Hatchmasters (203)866-3767
